Lucy Mullican: Veils

February 7 - February 28, 2023

Press release

Galería Mascota is pleased to host Villa Magdalena during Mexico City Art Week 2023, beginning on February 8th through February 12th.

Lucy Mullican: Veils is a selection of recent paintings by Lucy Mullican which will be on view starting on February 7 until February 28th, 2023.

Mullican's new body of work extends her vocabulary of invented anthropomorphic landscapes into a ghostly realm. Translucent spaces rendered in watercolor are subject to an intervening presence, an unknown entity that takes on different forms.

Lucy Mullican (b. 1994, New York) received her BFA in Studio Art from the Glasgow School of Art in 2019. Recent exhibitions include: *Fragments*, Villa Magdalena, San Sebastian, Spain (2022, solo); *Sensed As Well As Seen*, Olympia, New York City, USA (2022, solo). *Veils*, presented by Villa Magdalena and Galería Mascota on the occasion of Mexico City Art Week 2023, marks the first time Mullican will exhibit in Mexico. This Spring, she will be included in the group show *I Rossori Dell'Arte (The Redness of Art)* at Ronchini in London. Mullican's work has appeared in *Artforum*, *The Brooklyn Rail*, and *Hyperallergic*. She lives and works between New York City and Berlin.
